

## **Boilerplate**

### **About Togetherall:**

Established in 2007 as Big White Wall, Togetherall, is a leading online mental health service that provide millions of people throughout the UK, New Zealand, Canada and the US access to community and professional support, 24 hours a day, 365 days a year. The service is registered with the Care Quality Commission (CQC) and is clinically proven to help those who are struggling with stress, isolation, anxiety, depression and other common mental health issues. Togetherall has supported over 220,000 members with their mental health since launch in partnership with clients in the corporate, education, health and charity sectors, and all serving military personnel and veterans in the UK.
